

INTERNATIONAL AEROSOL CONFERENCE, AT2018

June 18-20, 2018. Bilbao (SPAIN)

Website: www.dfmf.uned.es/AT2018

Email: AT2018@dfmf.uned.es

Conference Co-chairs: Cristina Gutierrez-Cañas and Jose L. Castillo

Aerosol Technology follows the trends of previous meetings in Karlsruhe (Germany) and Tampere (Finland) as an interactive forum where scientist from academia and industry can collaborate and develop ideas for new aerosol applications.

Researchers, designers, teachers, students, product developers and companies interested in these topics are welcome to AT2018 in Bilbao.

Abstract submission open	January, 2018
Abstract submission deadline	February 18, 2018
Early Registration deadline	April 15, 2018
Late abstracts (Work in progress)	June 3, 2018
Application to Best Poster Award	June 10, 2018

Please **save the dates** and plan to attend the meeting.

Abstracts should be prepared using a **template** that is already available at the website.
